

Associate Dentist Opportunity – River Birch Dental

River Birch Dental is seeking a **patient-focused Associate Dentist** to join our growing, well-established practice. This is an excellent opportunity for a dentist who values high-quality care, strong patient relationships, and a supportive team environment.

Why River Birch Dental?

- Loyal, established patient base with consistent demand
- Supportive leadership and an experienced clinical team
- Well-run practice that allows you to focus on dentistry—not chaos
- Collaborative environment with mentorship available if desired
- Emphasis on ethical, relationship-based care

The Ideal Candidate:

- DDS or DMD from an accredited dental program
- Licensed (or eligible for licensure) in the state
- Strong clinical skills with a patient-first mindset
- Team-oriented, positive, and motivated to grow
- New grads and experienced dentist's welcome

What We Offer:

- Competitive compensation with strong earning potential
- Flexible schedule with work-life balance in mind
- Modern technology and systems that support efficiency
- A practice culture that values respect, communication, and growth

At River Birch Dental, we believe great dentistry starts with a great team. If you're looking for a long-term dental home where you can grow professionally and feel genuinely supported, we'd love to connect.

 **Apply today or reach out to learn more—we'd love to meet you!**
